**NOTICE**

---

No. 17-3,        US v. Dylann Roof  
                    2:15-cr-00472-RMG-1

TO: Counsel

Your letter of May 6, 2021, has been referred to the panel. The panel declines to identify any particular issues for counsel to address, trusting that counsel need no guidance in order to present an effective oral argument for their client.
